Chapter 1

Linnet Ridgeway!

“That’s Her.” said Mr. Burnaby, the landlord of the Three Crowns.

He nudged his companion.

The two men stared with round bucolic eyes and slightly open mouths.

A big scarlet Rolls-Royce had just stopped in front of the local post office.

A girl jumped out, a girl without a hat and wearing a frock that looked (but only looked) simple. A girl with golden hair and straight autocratic features—a girl with a lovely shape—a girl such as was seldom seen in Malton under Wode.

With a quick imperative step she passed into the post office.
